

## Kings College School B Festival (Wimbledon), 7<sup>th</sup> October

**Our Squad:** Fergus Blackwell, Robin Brett, Alexander Chevallier, Keagan Davis, Joseph Dunn, George Fraser-Smith, Harry Morgan, Matthew Stevenson, Sean Turner, Lewis Williams, Marcus Williams, Tom Wotherspoon.

### **Squad Coach - Clive Williams**

#### **1st Match - Kings Tigers - Lost 2 : 1**

Rather a timid start from us, with a fair amount of uncertainty about what we could or should be doing. Kings were a very competent side with good rucking and scrummaging technique. However, we soon warmed up and started hitting the tackles. We were perhaps unlucky not to have been awarded a try by Harry in the last minutes.

#### **2nd Match - London Scottish - Lost 2 : 1**

We started out a bit better with the Scottish, but they had a couple of very strong players who charged to the try line twice in the first half. We responded with some strong runs and better tackling from all. Again the second half was ours, with more passing and keeping the ball alive.

#### **3rd Match - Old Emanuel - Lost 3 : 1**

Our last game was a tough match, with Emanuel playing a very fair, but hard game. However, we got the second try and had other chances. Yet again we had a good second half, with the boys realising what all that strength is for and stripping them of the ball twice. We put a lot of pressure on and won most

possession, with many turnovers, but could not get over the line.

Overall it was most players first opportunity for a real match, however everyone, and I do mean everyone, made great progress and developed their skills and understanding of the game, much to the joy of their parents
